

Cutting edge DESIGN with a Clean Finish.

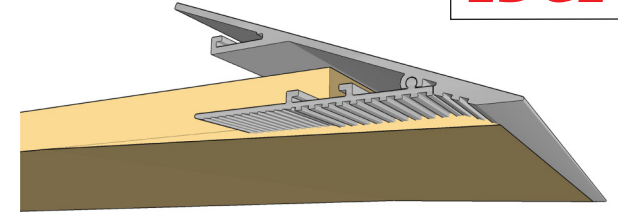

No design is complete without the right trim solution.

QIC Trims are the trim supplier of choice.

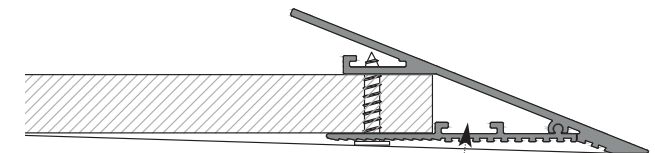

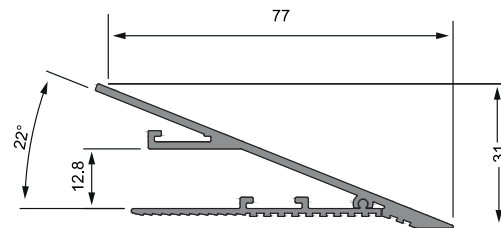

Whatever the design, the right edge will complete whatever look you're trying to achieve.

Knife edge – For a sharper look

This extruded aluminium trim is a unique, refined trim alternative compared to traditional, 90-degree vertical trims. The Knife Edge trim provides a more crisp edge detailing compared to conventional roll-formed steel systems. Multiple options for lighting integration.

- Standard colours available, RAL 9010 white, 9006 silver, 9005 black, 7016 anthracite grey
- 3000mm lengths
- Anodised finish options available upon request
- Custom colours available, with QIC's in house state of the art paint line.
