

**APPLICATION**

The H25 picture hanging rail system is the most innovative picture hanging system on the market. If you want an elegant, easy to install hanging system, the H25 system is your best choice.

The white Qube hanger comes c/w 1.5m nylon or stainless-steel wire with the added option of the stainless-steel HZ self-locking hook for ease of installation.

Organise and rearrange your pictures, paintings, picture frames and photos easily and stylishly with H25 hanging systems. Our picture display systems are very easy to install. Once installed, you'll be able to organise and rearrange your pictures time and time again without any tools, nails or screws. The possibilities of our systems are endless: create your own wall collage in a matter of seconds by hanging multiple picture frames just the way you like.
